

# Small Sentences

**Suitable age:** Preschool up

**Prior knowledge required:** None

**Format:** PDF

**Pages:** 9

**Colour/Black and White:** Colour

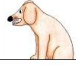

Each of the eight sets contained in this resource have different sentences that need to be read and then matched to their corresponding picture. There are 70 sentences to read in all.

Every one of the sets concentrate on different high frequency words (HFWs) and only use the alphabet sounds.

The high frequency words focused on are: a, I, and my, am, can, it and is.

Suitable for children learning to read that know their alphabet sounds, children that need to get some fluency or for those children who enjoy reading games.
