

Spelling and Writing Cards

Suitable age: Preschool up

Prior knowledge required: Varies

Format: PDF

Pages: 12

Colour/Black and White: Colour

This resource is made up of 53 different cards. For each card the child needs to spell the word pictured. 51 of the words to be spelt only contain three sounds (and three letters e.g. p-e-n).

The special thing about these cards is that only certain sounds are used (and only the alphabet sounds are covered).

It is preferred that the child has the knowledge of the sounds highlighted in red before they use each card.

Each of these cards are laminated so that they can be reused with a white-board pen.

The cards are wonderful for both spelling and writing practice.
